Gate Directory Information – The below information will be programmed into the gate database. Please write the name as you would like it displayed on the digital call box menu (i.e. Smith, John / Smith, Mr and Mrs / Smith Home). There is a 15-character limit including spaces to consider for the display.

Please provide your remote IDs for all remotes you would like to work with our entry gate system. The code is located on the sticker inside the battery cover and consists of a 2-digit FC and a 5-digit TR#.

In this example the FC code is 06 and the TR# 07404
